Important

The deadlines stated in the Roadmap or by the Tournament Staff are to respect. Please be sure to send your payment in time and be aware that sending money from abroad may take some additional days. Not paying spots in time is going to result in losing spots!

After your payment is done (no matter if you are TC and send your money for the whole country or if you are wildcard owner) please always send a payment confirmation to Thomas Schubert: schubert@ec08.de via email! Mention how much money you have sent for whom!

As soon as the money has been received, a confirmation will be sent to the player. The payment status is also visible at the website.
