## 2008

Phase I	Jan 1 <sup>st</sup>	<b>DL:</b> TC to be named by Jan 1st. Login details of player management system are sent to TC ( <a href="http://management.ec08.de">http://management.ec08.de</a> ) TC is able to invite/name players. Players will receive invitations instantly via email and are asked to complete their registration.
	Apr 30 <sup>th</sup>	<b>DL:</b> Payment deadline for spots. TC/Country has to pay its spots, no matter if a name is already associated or not. The country may pay spots in advance but name players later on their own risk. * Payment to be done by TC to ec08 bank account. <b>DL:</b> TC has to clear spots he / the country is not interested in. <b>DL:</b> If a country needs more spots than it initially received, the number of additional spots must to be sent by April 30 <sup>th</sup> to Tournament Director Dennis Stampfer via email: <a href="mailto:stampfer@ec08.de">stampfer@ec08.de</a> .
Phase II	May 15 <sup>th</sup>	Unpaid spots and untaken spots are redistributed to countries who need more spots than they initially received in the first phase. Wildcard application opens online at ec08.de
	Jun 15 <sup>th</sup>	<b>DL:</b> Payment deadline for spots of 2 <sup>nd</sup> phase. Same again: A spot may be paid in advance, but a player named later. *
Phase III	Jun 30 <sup>th</sup>	All unpaid and untaken spots become wildcards Wildcards are distributed to wildcard applicants
	July 15 <sup>th</sup>	<b>DL: Deadline of naming players. **</b> All paid spots not associated with a player name become wildcards. Even if they were paid in advance.
	July 30 <sup>th</sup>	Payment deadline for wildcards and redistributing the untaken wildcards. Payment to be done from player to ec bank account.
	August 25 <sup>th</sup> -31 <sup>st</sup> :	See EC08 Week Schedule

**Important:** TC has to send a payment confirmation to Tournament Director via email ([stampfer@ec08.de](mailto:stampfer@ec08.de)) including the players names, player number and amount of money. If spots are paid in advance, TC has to mention spot number.

**Please note:** Payment dates are deadlines. Be sure to send your money well before the deadline since the money transfer may take some days. Don't risk losing your spots.

\* A country may pay spots in advance but may associate a player later. Example: Your country got 17 Spots. 10 Players are already known, so the country invites them via the player management system. The country may now pay 15 spots and free 2 spots. The country may then name the players of the (5) spots paid in advance later. However, if the players of the paid spots in advance (5) are not invited by July 15th, they will turn into wildcards and the money is lost.

\*\* Note that players may have problems finding a accommodation. See website with accommodation info for dates.

In case a player cancels his/her paid spot, the spot is left to the country.
